Charm City  
Golf Tournament

Dear Friend,

The time has come for the annual Baltimore Dodgers charity golf tournament, The Charm City Open. The Baltimore Dodgers is a community-based 501 (c) (3) equal opportunity collegiate summer baseball program that develops the most diverse group of college-eligible baseball players and provides exposure to college coaches for potential scholarships and to Major League Baseball scouts. While emphasizing baseball fundamentals, sportsmanship, and integrity, the Baltimore Dodgers advances the skills of baseball players competing at the highest amateur level. Although we recruit from Division I programs, we also realize this opportunity does not exist for most players that are talented enough to play for top Division I programs but have chosen to attend community colleges or Division II & III universities. We look to afford these players the same opportunity for exposure.

The Baltimore Dodgers also strive to work with local recreation and parks organizations to help preserve the game of baseball in our communities and reintroduce the game to our youth. Also, we are an organization that offers opportunities for young men and women to obtain experience in a wide variety of sports management functions. Internships include statisticians, information technologists, multi-media specialists, broadcast announcers, photographers, athletic trainers, coaching assistants, and game day operations.

Our organization welcomes you to join us as a sponsor by choosing one of our sponsorship opportunities or assist by providing donations of various prizes and items for the silent auction. Becoming a sponsor will allow your organization to be promoted to our families, friends, players, and professionals who make up our many networks all over the country. It is the kindness of sponsors like you that allow our organization to continue our mission of community outreach through baseball. We look forward to you becoming a sponsor and teeing it up with us at Whiskey Creek golf course on September 12<sup>th</sup>, 2018.

Thanks,

**Baltimore Dodgers Staff**
